CLOTHING CHECK OFF LIST

Staying warm, dry and comfortable will make your skiing or snowboarding experience much more enjoyable. How to do it? Dress in multiple, lightweight layers

Layer 1: Closest to the skin

- **BIG HINT: No cotton!** Cotton retain moisture, causing your body to chill

Long johns made from synthetic fibers and materials that “wick” moisture away from the skin keep you warmer and dryer

Layer 2: Middle layer for warmth

- Fleece is a great insulating fabric, as are many synthetic fibers

Choose pants, shirts, and sweaters that wick moisture and ‘breathe’ to help you stay dry and warm

Layer 3: Outer layer to stay dry

- Coats and snow pants that are water-resistant or water-repellant
- Warm, insulated, water repellent snow gloves/mittens will keep your hands warmer and dryer
- Fleece hat, wool beanie, or a ski/snowboard helmet

Neck ‘gator or scarf to cover your chin and nose

Extra’s:

- Goggles, sunglasses
- Sunscreen and lip balm
- Wrist guards for snowboarders

Dry clothes for the car ride home

Equipment:

- Black Diamond Sports at Bogus Basin discounts ski/board rental prices for School Night and Lifesports programs – take advantage of the safe, newer equipment rather than borrowing or using old or ill-fitting gear

If you borrow or buy used equipment, have an expert at a local ski shop look it over and properly adjust the bindings before hitting the slopes
