

Dear Riverstone Grade 2 Parents,

Grade 2 students will be Nordic skiing this winter at Bogus Basin. With the winter Olympics in February, cross-country skiing is sure to bring excitement to all. Students will learn a new winter sport and learn the art of layering clothing in the winter and about the history of cross-country skiing being used as an early form of transportation on snow.

Transportation to Bogus Basin Nordic Center will be provided by bus. Please pack a lunch for your student; they will be eating at Bogus Basin in-between lessons to gather some much needed energy. The Nordic Center will provide instructors aimed at giving your student the best possible lesson for Nordic skiing. They will also provide the use of skis, boots, and poles. **In order for the rental shop to have your students gear available, please provide your students shoe size, height, and weight to Derek Wright via E-Mail no later than Friday, January 12.**

**Please see the attached Waiver for Nordic Skiing at Bogus Basin. Please return filled form to your student's teacher no later than Friday, January 12**

It is important your student be prepared to be outside in winter conditions. Ski clothing that will keep your student warm and dry is essential; please see the information below to help your student prepare for the ski lessons.

If you have any additional questions or concerns please reach out to Derek Wright, Outdoor Education Coordinator at [dwright@riverstoneschool.org](mailto:dwright@riverstoneschool.org).

Sincerely,

Derek Wright
