

Dear Riverstone Preschool and Pre-Kindergarten Parents,

On Friday, August 30th, the Riverstone Preschool and Pre-Kindergarten classes will head out for a day on the Payette River. These river adventures have been a staple outing of the Riverstone Outdoor Education Program, and it is a great way to bring the school's youngest members into the mix.

Cascade River Company has been our partnered outfitter since Riverstone began these river trips. We will be rafting down the lower section of the main Payette River from Beehive Bend to the jet boat ramp just north of Horseshoe Bend. Cascade will provide guides, rafts, and life jackets. They will also provide a bus for those who are not driving personal vehicles. Parents should be assured that the trip is age-appropriate, and the Cascade guides will ensure that everyone has a safe and fun experience.

Holding with tradition and to make this a community-building event, **at least one parent of preschool and prekindergarten students are required to attend, and additional parents and family members encouraged to attend as well.** Parents and family members will need to pay \$30.00, **which will be billed to your Riverstone financial account.**

***All adults and children must return Cascade's Participant Agreement to your student's teachers no later than Wednesday, August 28th. Please see attached document.***

Please read the following details about the trip closely. Parents who plan on participating and driving their own vehicle should pay close attention to pick-up and drop-off locations. A map and driving directions are available below.

If you have any additional questions or concerns please reach out to Derek Wright, Outdoor Education Coordinator at [dwright@riverstoneschool.org](mailto:dwright@riverstoneschool.org).

Sincerely,

Derek Wright
